~Proudly teaching children from generation to generation~

PROGRAM OFFERINGS

Tuesday/Thursday 9 am to noon

This class is open to children 2 years old on or before September 30, 2010.

A busy two year old needs time to explore, interact, experiment or just watch. This class is ideal for the child just beginning to develop a sense of autonomy and independence in a group setting. We lay the foundation for a strong Jewish identity by learning blessings and hearing Torah stories. Free play, art, music, and hands-on learning are combined with positive and nurturing social guidance.

Annual Cost \$2100.00 Members

Monday/Wednesday/Friday 9 am to noon

-OR-

5-Day (Monday - Friday) 9 am to noon

These classes are open to children 3 years old on or before September 30, 2010.

Three and four year olds are ready to accept new challenges. We continue exploring Jewish traditions and customs. Activities are designed to enhance fine and gross motor skills, increase verbal communication and the ability to understand and demonstrate positive social skills like sharing and taking turns. We will focus on preparing each child for future education, balancing skills such as name writing and letter recognition with helping the children express themselves and interact positively with others. Our goal is to equip each child with the confidence and skills

for a successful school career and lifelong love of Jewish learning.
